

Joanne Bump serves as a Senior Policy Analyst with the League. Joanne's major responsibilities at the League include tax and economic policy, and budget policy for Department of Human Services and School Aid Fund.

Prior to returning to the League in July 2010, Joanne worked in Michigan state government for over 30 years including 9 years with the Office of Revenue and Tax Analysis where she coordinated the Michigan Tax Expenditure Report, the Economic Report of the Governor and the Michigan Economic Review and Outlook, a bi monthly economic newsletter. She was assigned to the Office of Health and Human Services, analyzing the Department of Human Services public assistance caseloads at the State Budget Office for 9 years. She also worked as an economist for the House Fiscal Agency. Recently Joanne developed Long Term Care Services and Support budget requests for the Department of Community Health.

She earned a masters degree from Michigan State University in public sector economics with emphasis in taxation, expenditures and revenues. Her master's thesis was entitled "Sales Tax on Services, a Michigan Perspective". She advocated for improving women's economic and employment policies as a former President of Women in State Government and Women's Assembly.
