

Got Skin in the Game?

Everyone pays sales tax...

SALES
makes up more than **1/3rd** of Michigan tax revenue

...and all workers pay payroll taxes

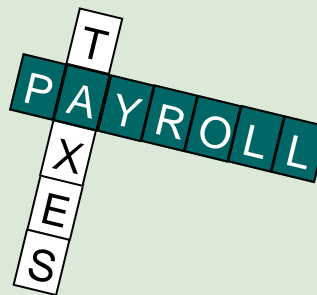

Who didn't pay federal income tax in 2011?

- 61%** were workers who paid payroll taxes
- 22%** were senior citizens
- 14%** were students, disabled, or unemployed

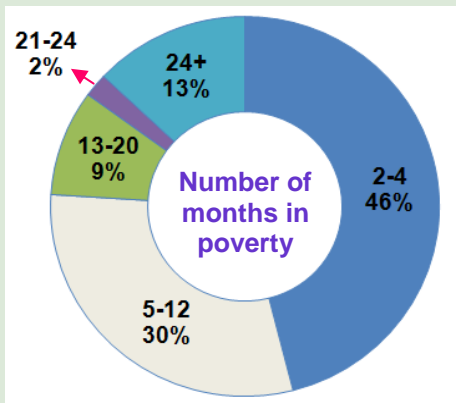

"But in this world nothing can be said to be certain, except death and taxes."

-Benjamin Franklin

Poverty is short term

Corporations don't always pay either

Under-reported Business Income accounts for the largest source of unpaid income taxes: **\$122 billion a year**

What all of this means is that
