

Making a Difference for Michigan's Youngest Learners

On Thursday, May 19, 2011, the Early Childhood Investment Corporation will be hosting Star Power 2011 at the Michigan State Capitol Building in Lansing. This is our 5th year for this event where we bring together parents, child care workers, educators, business leaders, and of course many children to gather with others in the early childhood community and speak to those decision makers who directly impact our youngest learners. This year we are anticipating attendance to exceed last year's number of 3,600 participants. Hosting an event of this size requires the help of many volunteers. Volunteer opportunities include assisting with children's activities and games; food distribution; parade monitors; set up; and more. So if you would like to be a part of ensuring every child in Michigan arrives at the kindergarten door safe, healthy and ready for school success, please join us as a Star Power volunteer on May 19th by contacting Sheryl Johnston at sjohnston@ecic4kids.org or 517-371-9000 ext. 208. We are looking forward to another exciting Star Power and hope you can be a part of making a difference for Michigan's youngest learners!
