¹ A ranking of 1 means a county has the “best” rate compared to other counties in the state. Unless noted, the ranking is based on 82–83 counties.

² Family income for eligible students is below 185 percent poverty level.

* Sometimes a rate could not be calculated because of low incidence of events or unavailable data.

** Due to changes in the data measures, comparisons between 2000 and the current year could not be made for some indicators.

‡ Due to Michigan’s revised birth certificate, 2008–09 data cannot be compared with those of previous years.

MME – Michigan Merit Exam instead of the MEAP.

Beginning in 2007 Michigan high school students have taken the ACT college entrance exam.

Missing bars indicate no change or a rate could not be calculated; a “0” reflects no change. Percentage change is calculated with unrounded rates.
