26,570

Unemployment Rate
15.0%

¹ A ranking of 1 means a county has the “best” rate compared to other counties in the state. Unless noted, the ranking is based on 82–83 counties.
² Family income for eligible students is below 185 percent poverty level.
 * Sometimes a rate could not be calculated because of low incidence of events or unavailable data.
 ** Due to changes in the data measures, comparisons between 2000 and the current year could not be made for some indicators.
 ‡ Due to Michigan’s revised birth certificate, 2008–09 data cannot be compared with those of previous years.
 MME – Michigan Merit Exam instead of the MEAP.
 Beginning in 2007 Michigan high school students have taken the ACT college entrance exam.

Missing bars indicate no change or a rate could not be calculated; a “0” reflects no change. Percentage change is calculated with unrounded rates.
